

DELANO 'DREAM CHAIR' by RST OUTDOORS

Free hanging chaise lounge with base and adjustable umbrella top

Model: OP-DC01-B

Relax and Enjoy with the amazing new DREAM CHAIR from RST Outdoors. This truly unique outdoor relaxation center piece is the pinnacle of outdoor style and comfort. Slide back and rest comfortably in the oversized chaise bed contoured to match the ergonomics of your body with your legs, back and shoulders perfectly supported. Kick your legs up and enjoy the articulating motion of the DREAM CHAIR as you swing gently back and forth, and side to side. Sit up and enjoy reading or slide back for a perfect and dreamy outdoor experience.

Constructed from a high tensile steel frame with stainless steel hardware, the dream chair will easily hold up to 264 lbs (120 kgs.) Wide arcing frame with four legged base is sturdy, durable and effortlessly holds the contoured DREAM CHAIR. Lace up back support constructed of woven mesh provides comfortable support surface. Baffled body cushion is made from 100% spun polyester and includes large neck and head pillow. Adjustable square umbrella is integrated into the frame and movable to follow the sun throughout the day or allow just the right amount of sunlight to shine through. Assembly required and takes about 20 minutes.

Comfortable, elegant and destined to become the conversation piece in any setting.
